

CastleRockTM

INSULATED • MORTAR-LESS
STONE • PORCELAIN • BRICK • MODULAR PANELS

CastleRock^KTM Insulated Porcelain Brick

A revolutionary continuous insulated brick panel system

CastleRockTM

INSULATED • MORTAR-LESS
STONE • PORCELAIN • BRICK • MODULAR PANELS

Combined with CastleRockTM porcelain siding panels

CastleRockTM Brick Panels - “a better way to build”

Features:

- Economical (Installs fast with minimal mess)
- Stays looking new & never requires refinishing
- Saves energy - Insulation values of R-10 to R - 30
- Graffiti resistance (much easier to clean than brick)
- Light weight & eliminates foundation brick ledge & heavy metal lintels over doors and windows
- Optional Hydrotec coating self-cleans & removes auto emissions from the air
- Contact your nearest distributor for color selections.
