Possible water intrusion behind the porcelain fascia drains

CRX is a competitively priced Premium Grade Exterior Porcelain Panel, superior to other siding materials. It has a built-in rainscreen, 3/8" porcelain fascia and will not fade, peel, or discolor. It is scratch resistant, 100% water resistant for a lifetime of maintenance-free operation!

CastleRock (CRX) Series (Not available until fall of 2024)

Starter

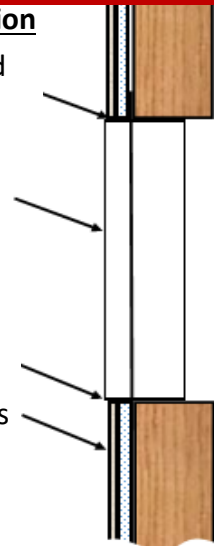

Window Termination
