

Typical Cut & Fabrication Sheet for ICAP Panels

- 1) Beginning on Left Side of the Wall, Number the Vertical Columns
- 2) Number each panel from the bottom to the top
- 3) Provide if the panel has a Tongue, Groove or Blunt on each side
- 4) Provide the height and width of each panels.
- 5) Provide a Corner Left or Corner Right
- 6) Provide the color code for each part number

CAP will part # each panel on the foam side and package in order, for each side of the building as indcatied. This will simplify installation.
